## PUBLIC WORLD User's Guide

In order to assist both the legal profession and the layman in obtaining the maximum benefit from the Mississippi Code of 1972 Annotated, a User's Guide has been included in the main volume. This guide contains comments and information on the many features found within the Code intended to increase the usefulness of the Code to the user.

### *Annotations*

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Annotations to collateral research references are also included.

To better serve our customers by making our annotations most current, annotations change the source that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are issued by the courts. A consequence of this more *current* reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals and decisions of the appropriate federal courts. These cases will be printed in the following reporters:

- Southern Reporter, 3d Series
- United States Supreme Court Reports
- Supreme Court Reporter
- United States Supreme Court Reports, Lawyers' Edition, 2nd Series
- Federal Reporter, 3d Series
- Federal Supplement, 3d Series
- Federal Cases Decided
- Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

- American Law Reports, 6th Series
- American Law Reports, Federal, 2nd
- Mississippi College Law Review
- Mississippi Law Journal

Finally, published opinions of the Attorney General and opinions of the Ethics Commission have been scanned for annotations.

### *Amendment Notes*

Amendment notes show how new legislation affects existing sections.

### *Editor's Notes*

Editor's notes explain the subject matter and legislative history of amended sections, provide information as to portions of legislative action that have not been ratified, or report other pertinent information.

**GENERAL PROVISIONS**

**JUDICIAL DECISIONS**

**I. Under Current Law.**

**8. Prejudgment interest.**

Estate was not due interest on the judgment it recovered from the co-owner of a corporation because its claim under a

lease was not liquidated when it originally was made, as the chancery court had to determine the damages period before it could award any damages under the lease; there was no indication in the record or the judgment on remand that the co-

owner acted in bad faith. *Lane v. Lampkin*, 234 So. 3d 338, 2017 Miss. LEXIS 283 (Miss. 2017).

## § 75-17-7. Interest on judgments and decrees.

### JUDICIAL DECISIONS

#### ANALYSIS

1. In general.
2. Interest allowable from date of verdict or judgment.
3. Judgments and decrees based on contract.
6. Insurance cases.

#### **1. In general.**

Trial court's judgment with respect to a judgment interest award was reversed where it considered the definition of interest rate to encompass evidence of rates of return when it was mandated on remand with the task of determining the applicable interest rate and entering an order requiring payment of that interest, and it rejected the only rates of interest properly introduced. *City of Gulfport v. Dedeaux Util. Co.*, 237 So. 3d 164, 2018 Miss. LEXIS 66 (Miss. 2018).

Trial court did not abuse its discretion in awarding an assignee prejudgment interest because it imposed the interest rate pursuant to the terms of the document that a debtor willingly signed; the trial court also found that the guarantors had waived the issue because they made no real challenge at trial as to the interest calculations made by the assignee. *Biel REO, LLC v. Lee Freyer Kennedy Crestview, LLC*, 242 So. 3d 833, 2018 Miss. LEXIS 84 (Miss. 2018).

When a town and school district prevailed in litigation against a county over the county's failure to collect a gaming fee, the town and school district were entitled to post-judgment interest because the county did not show a statutory exception to an award of such interest. *Tunica County v. Town of Tunica*, 227 So. 3d 1007, 2017 Miss. LEXIS 179 (Miss. 2017).

County court properly awarded prejudgment interest to a company because the company and a contractor were operating under an open account, a type of

unwritten contract, and thus, the company had to be granted pre-judgment interest if the contractor's debt was liquidated; however, the county court erred in determining the date pre-judgment interest began, and it should have calculated pre-judgment interest from the date the breach occurred. *Knights Marine & Indus. Servs. v. Gulfstream Enters.*, 216 So. 3d 1164, 2017 Miss. App. LEXIS 207 (Miss. Ct. App. 2017).

#### **2. Interest allowable from date of verdict or judgment.**

In plaintiff's civil suit against the casino that pressed charges against him for passing worthless checks, the district court did not err by awarding prejudgment interest during period between the order granting summary judgment and entry of final judgment because record reflected that the district court did not intend order granting summary judgment to be a final judgment as it did not expressly dismiss suit. *Harvey v. Caesars Entm't Operating Co.*, 790 Fed. Appx. 582, 2019 U.S. App. LEXIS 31136 (5th Cir. Miss. 2019).

Circuit court properly denied the taxpayers' motion for prejudgment interest because, while the county detained money that was overdue so as to justify the purpose for which prejudgment interest was awarded and the taxpayers were owed a refund for the overpayment of taxes, which were liquidated, the taxpayers failed to make demand, as required, for prejudgment interest in their pleadings, and there was no statutory authority mandating prejudgment interest. *Gulfport Partners V, L.P. v. Harrison Cty. Bd. of Supervisors & Tal Flurry*, 231 So. 3d 234, 2017 Miss. App. LEXIS 292 (Miss. Ct. App. 2017), cert. denied, 2017 Miss. LEXIS 467 (Miss. Dec. 7, 2017).

#### **3. Judgments and decrees based on contract.**

Because neither the circuit court nor

the contracts specified that the interest was to be computed on a compound basis, interest was to be computed on a simple basis at the 1.5 percent rate noted in the contract and the circuit court's order. Roberts Contr., Inc. v. Mersino Dewatering Inc., 270 So. 3d 994, 2018 Miss. App. LEXIS 474 (Miss. Ct. App. 2018).

Estate was not due interest on the judgment it recovered from the co-owner of a corporation because its claim under a lease was not liquidated when it originally was made, as the chancery court had to determine the damages period before it could award any damages under the lease; there was no indication in the record or the judgment on remand that the co-owner acted in bad faith. Lane v. Lumpkin, 234 So. 3d 338, 2017 Miss. LEXIS 283 (Miss. 2017).

Because the judgment was not based on a contract with a set interest rate, the trial court had discretion to set the rate of interest, as well as the date from which interest would accrue. Ground Control,

LLC v. Capsco Indus., 214 So. 3d 232, 2017 Miss. LEXIS 93 (Miss. 2017).

### **6. Insurance cases.**

Trial court rightly entered an order dismissing the insured's case with prejudice as no dispute remained for adjudication and denying the insured's request for pre-judgment interest because the insurer invoked the appraisal provision contained in the insurance contract, which led to the payment of \$ 462,761.89 for the insured; after the parties had resolved the claim's value through that contractual process, the trial court properly granted the insurer's motion stating that the parties had resolved the dispute and that the trial court had nothing else to decide; and this statute had no application to the insured's case in which no judgment or decree had been entered. Sweet Valley Missionary Baptist Church v. Alfa Ins. Corp., 192 So. 3d 990, 2016 Miss. LEXIS 230 (Miss. 2016).

##### **2. Construction and application, generally.**

Timber buyer was entitled to a directed verdict on a timber seller's Miss. Code Ann. § 75-21-1 claim because insufficient evidence showed an agreement between market participants. Ga. Pac. Corp. v.

Cook Timber Co., 194 So. 3d 118, 2016 Miss. LEXIS 269 (Miss. 2016).

### **3. Particular applications.**

Dismissal of the State's Mississippi Antitrust Act claim (MAA) against the executives of an auto part manufacturer was affirmed where the complaint alleged no wholly intrastate transactions that would have made the alleged illegal cartel punishable under the MAA. State ex rel. Fitch v. Yazaki N. Am., Inc., 294 So. 3d 1178, 2020 Miss. LEXIS 100 (Miss. 2020).

**3. Particular applications — illegal contract or combination.**

Timber buyer was entitled to judgment on a timber seller's Miss. Code Ann. § 75-21-3 claim because (1) nothing showed the buyer monopolized or tried to monopolize

the buyer's industry, and (2) it was not illegal for the buyer to stockpile timber bought at the lowest possible price in anticipation of higher prices. Ga. Pac. Corp. v. Cook Timber Co., 194 So. 3d 118, 2016 Miss. LEXIS 269 (Miss. 2016).

### JUDICIAL DECISIONS

#### ANALYSIS

1. In general.
3. Injunctive relief.
4. Standing.
- 5.3. Warning labels.

##### **1. In general.**

Drug manufacturer violated the Mississippi Consumer Protection Act by publishing average wholesale prices that had no predictable relationship to what consumers paid for its drugs while knowing that the State relied on that information in determining estimated acquisition cost. Watson Labs., Inc. v. State, 241 So. 3d 573, 2018 Miss. LEXIS 7 (Miss. 2018).

##### **3. Injunctive relief.**

Chancery court properly denied a student loan servicer's motion to dismiss for failure to state a claim because the State alleged facts that supported the danger of a present or future unfair trade practice warranting injunctive relief to protect the public's interest; the servicer had suffered no consequences, and it remained active in its practice with infinitely more potential to reenter the business of loan origination. Navient Corp. v. State ex rel. Fitch, 313 So. 3d 1034, 2021 Miss. LEXIS 78 (Miss. 2021).

Trial court's finding that the alleged unfair trade practices were too remote in time to support the State's claim for injunctive relief under the Mississippi Consumer Protection Act was affirmed where the executives responsible were convicted of federal crimes and had to pay hefty penalties, and thus, the State had failed to allege any facts that support the danger of

a present or future unfair trade practice warranting injunctive relief to protect the public's interest. State ex rel. Fitch v. Yazaki N. Am., Inc., 294 So. 3d 1178, 2020 Miss. LEXIS 100 (Miss. 2020).

##### **4. Standing.**

Business and governmental entities lacked standing to pursue consumer claims alleging that security vulnerabilities rendered microprocessors defective because they did not use their computers for personal, family, or household purposes, but instead used them in daily operations. As to consumers, an affirmative misrepresentation was not required to support a claim because this statute allows omissions claims. In re Intel Corp. CPU Mktg., Sales, Practices and Prods. Liab. Litig., — F. Supp. 3d —, 2020 U.S. Dist. LEXIS 53829 (D. Or. Mar. 27, 2020).

##### **5.3 Warning labels.**

Chancery court properly denied a cosmetic manufacturer's motion for summary judgment in the State's action to require the manufacturer to establish an ovarian cancer warning on its talc cosmetic products under the Mississippi Consumer Protection Act because the chancellor was not bound by federal court or the Commission's interpretation of the federal act, but, instead, was to be "guided" by such interpretations, and the State's claim was not expressly or impliedly pre-empted under federal law, where the FDA chose not to exercise its regulatory authority, and allowed the states the freedom to regulate cosmetics instead. Johnson & Johnson v. Fitch, 315 So. 3d 1017, 2021 Miss. LEXIS 87 (Miss. 2021).

## JUDICIAL DECISIONS

## ANALYSIS

1. Jurisdiction.
2. Venue.
3. Injunctive relief.

**1. Jurisdiction.**

Statute does nothing more than presume that a Mississippi Consumer Protection Act injunction, standing alone, will be filed in county or chancery court, through the Mississippi Constitution, the chancery court's jurisdiction is limited to specific areas, including all matters in equity, and as a result, injunctions must be filed in the chancery court. *State v. Walgreen Co.*, 250 So. 3d 465, 2018 Miss. LEXIS 339 (Miss. 2018).

Application of the State's equitable claims is not enough to limit jurisdiction to the chancery court, not even through the application of the statute. *State v. Walgreen Co.*, 250 So. 3d 465, 2018 Miss. LEXIS 339 (Miss. 2018).

Chancery court correctly used its discretion to transfer the State's case against pharmacies, allowing the issues to proceed in front of a circuit-court jury, because the complaint concerned a provider agreement (a contract), its terms, and the parties who failed to abide by the arrangement; while the equitable issues pleaded were relevant, the legal issues that flowed from the pharmacies' alleged inflated reimbursement requests predominated the State's claims and requests for relief. *State v. Walgreen Co.*, 250 So. 3d 465, 2018 Miss. LEXIS 339 (Miss. 2018).

Through a proper application of its discretion, the chancery court did not err in its decision to transfer the matter to the circuit court, and any apparent conflict with that decision and the statute's provision was inconsequential; accordingly, an injunction under the statute can be ob-

tained in circuit court when the original court or the transferring court considers it appropriate under the circumstances. *State v. Walgreen Co.*, 250 So. 3d 465, 2018 Miss. LEXIS 339 (Miss. 2018).

**2. Venue.**

Registered Agents Act effectively makes the location of a corporation's registered agent irrelevant to the venue analysis; because the Registered Agents Act excludes consideration of the location of a corporation's registered agent from the question of venue, the Mississippi Consumer Protection Act's venue statute provides no choice of venue for foreign corporations. *Purdue Pharma L.P. v. State*, 256 So. 3d 1, 2018 Miss. LEXIS 415 (Miss. 2018).

Because no person resided or had a principal place of business in Mississippi, the consent language contained in the statute did not apply, and the statute as a whole failed to provide a venue option for foreign corporations; the consent language contained in the statute applies only to Mississippi defendants. *Purdue Pharma L.P. v. State*, 256 So. 3d 1, 2018 Miss. LEXIS 415 (Miss. 2018).

**3. Injunctive relief.**

Chancery court properly denied a student loan servicer's motion to dismiss for failure to state a claim because the State alleged facts that supported the danger of a present or future unfair trade practice warranting injunctive relief to protect the public's interest; the servicer had suffered no consequences, and it remained active in its practice with infinitely more potential to reenter the business of loan origination. *Navient Corp. v. State ex rel. Fitch*, 313 So. 3d 1034, 2021 Miss. LEXIS 78 (Miss. 2021).

Trial court's finding that the alleged unfair trade practices were too remote in time to support the State's claim for injunctive relief under the Mississippi Consumer Protection Act was affirmed where the executives responsible were convicted of federal crimes and had to pay hefty

penalties, and thus, the State had failed to allege any facts that support the danger of a present or future unfair trade practice warranting injunctive relief to protect the public's interest. *State ex rel. Fitch v. Yazaki N. Am., Inc.*, 294 So. 3d 1178, 2020 Miss. LEXIS 100 (Miss. 2020).

### **§ 75-24-15. Action or counterclaim by individual suffering loss; class actions prohibited.**

(1) In addition to all other statutory and common law rights, remedies and defenses, any person who purchases or leases goods or services primarily for personal, family or household purposes and thereby suffers any ascertainable loss of money or property, real or personal, as a result of the use or employment by the seller, lessor, manufacturer or producer of a method, act or practice prohibited by Section 75-24-5 may bring an action at law in the court having jurisdiction in the county in which the seller, lessor, manufacturer or producer resides, or has his principal place of business or, where the act or practice prohibited by Section 75-24-5 allegedly occurred, to recover such loss of money or damages for the loss of such property, or may assert, by way of setoff or counterclaim, the fact of such loss in a proceeding against him for the recovery of the purchase price or rental, or any portion thereof, of the goods or services.

(2) In any private action brought under this chapter, the plaintiff must have first made a reasonable attempt to resolve any claim through an informal dispute settlement program approved by the Attorney General.

(3) In any action or counterclaim under this section of this chapter, a prevailing defendant may recover in addition to any other relief that may be provided in this section costs and a reasonable attorney's fee, if in the opinion of the court, said action or counterclaim was frivolous or filed for the purpose of harassment or delay.

(4) Nothing in this chapter shall be construed to permit any class action or suit, but every private action must be maintained in the name of and for the sole use and benefit of the individual person.

(5) In any claim under this section filed on behalf of a veteran that charges the veteran a fee for the service shall include a form signed by the veteran acknowledging that "**THE STATE OF MISSISSIPPI THROUGH THE MISSISSIPPI STATE VETERANS AFFAIRS BOARD OFFERS THE SAME OR SIMILAR SERVICE FREE OF CHARGE.**" The veteran must sign this form stating that he/she has read and understands it. The statement signed by the veteran shall be of a **BOLD font** at least one hundred twenty percent (120%) larger than the font of the claim document filed on behalf of the veteran.

**HISTORY:** Laws, 1974, ch. 555, § 8; Laws, 1994, ch. 537, § 5, eff from and after passage (approved March 29, 1994); Laws, 2021, ch. 324, § 1, eff from and after July 1, 2021.

**Amendment Notes —** The 2021 amendment added (5).

## JUDICIAL DECISIONS

### ANALYSIS

4. Private right of action.
5. Appeals.

#### **4. Private right of action.**

Chancery court properly concluded that Miss. Code Ann. § 75-24-15(2) did not apply where the State failed to explain how, in a section titled “Private Actions,” it could have brought a public action, which was not authorized or contemplated under Miss. Code Ann. § 75-24-15(1), and received the benefit of the section without also complying with the remaining provi-

sions. Watson Labs., Inc. v. State, 241 So. 3d 573, 2018 Miss. LEXIS 7 (Miss. 2018).

#### **5. Appeals.**

Drug manufacturer had not waived its right to raise the State’s noncompliance with Miss. ## **§ 75-24-29. Persons conducting business in Mississippi required to provide notice of a breach of security involving personal information to all affected individuals; enforcement.**

(1) This section applies to any person who conducts business in this state and who, in the ordinary course of the person’s business functions, owns, licenses or maintains personal information of any resident of this state.

(2) For purposes of this section, the following terms shall have the meanings ascribed unless the context clearly requires otherwise:

(a) “Breach of security” means unauthorized acquisition of electronic files, media, databases or computerized data containing personal information of any resident of this state when access to the personal information has not been secured by encryption or by any other method or technology that renders the personal information unreadable or unusable;

(b) “Personal information” means an individual’s first name or first

initial and last name in combination with any one or more of the following data elements:

- (i) Social security number;
- (ii) Driver's license number, state identification card number or tribal identification card number; or
- (iii) An account number or credit or debit card number in combination with any required security code, access code or password that would permit access to an individual's financial account; "personal information" does not include publicly available information that is lawfully made available to the general public from federal, state or local government records or widely distributed media;
- (iv) "Affected individual" means any individual who is a resident of this state whose personal information was, or is reasonably believed to have been, intentionally acquired by an unauthorized person through a breach of security.

(3) A person who conducts business in this state shall disclose any breach of security to all affected individuals. The disclosure shall be made without unreasonable delay, subject to the provisions of subsections (4) and (5) of this section and the completion of an investigation by the person to determine the nature and scope of the incident, to identify the affected individuals, or to restore the reasonable integrity of the data system. Notification shall not be required if, after an appropriate investigation, the person reasonably determines that the breach will not likely result in harm to the affected individuals.

(4) Any person who conducts business in this state that maintains computerized data which includes personal information that the person does not own or license shall notify the owner or licensee of the information of any breach of the security of the data as soon as practicable following its discovery, if the personal information was, or is reasonably believed to have been, acquired by an unauthorized person for fraudulent purposes.

(5) Any notification required by this section shall be delayed for a reasonable period of time if a law enforcement agency determines that the notification will impede a criminal investigation or national security and the law enforcement agency has made a request that the notification be delayed. Any such delayed notification shall be made after the law enforcement agency determines that notification will not compromise the criminal investigation or national security and so notifies the person of that determination.

(6) Any notice required by the provisions of this section may be provided by one (1) of the following methods: (a) written notice; (b) telephone notice; (c) electronic notice, if the person's primary means of communication with the affected individuals is by electronic means or if the notice is consistent with the provisions regarding electronic records and signatures set forth in 15 USCS 7001; or (d) substitute notice, provided the person demonstrates that the cost of providing notice in accordance with paragraph (a), (b) or (c) of this subsection would exceed Five Thousand Dollars (\$5,000.00), that the affected class of subject persons to be notified exceeds five thousand (5,000) individuals or the person does not have sufficient contact information. Substitute notice

shall consist of the following: electronic mail notice when the person has an electronic mail address for the affected individuals; conspicuous posting of the notice on the website of the person if the person maintains one; and notification to major statewide media, including newspapers, radio and television.

(7) Any person who conducts business in this state that maintains its own security breach procedures as part of an information security policy for the treatment of personal information, and otherwise complies with the timing requirements of this section, shall be deemed to be in compliance with the security breach notification requirements of this section if the person notifies affected individuals in accordance with the person's policies in the event of a breach of security. Any person that maintains such a security breach procedure pursuant to the rules, regulations, procedures or guidelines established by the primary or federal functional regulator, as defined in 15 USCS 6809(2), shall be deemed to be in compliance with the security breach notification requirements of this section, provided the person notifies affected individuals in accordance with the policies or the rules, regulations, procedures or guidelines established by the primary or federal functional regulator in the event of a breach of security of the system.

(8) Failure to comply with the requirements of this section shall constitute an unfair trade practice and shall be enforced by the Attorney General; however, nothing in this section may be construed to create a private right of action.

## PYRAMID PROMOTIONAL SCHEMES.

Sec.	
75-24-71.	Definitions.
75-24-73.	Pyramid promotional scheme prohibited.
75-24-75.	Injunctive relief.
75-24-77.	Penalties.

**§ 75-24-71. Definitions.**

As used in Sections 75-24-71 through 75-24-77, the following words and phrases shall have the meanings as described in this section, unless the context clearly indicates otherwise:

(a) “Bona fide inventory repurchase program” means a program by which an entity repurchases from a salesperson current and marketable inventory in the possession of the salesperson, upon request and upon commercially reasonable terms, when the salesperson’s business relationship is terminated.

(b) “Commercially reasonable terms” means the repurchase of current and marketable inventory within twelve (12) months after the date of purchase at not less than ninety percent (90%) of the original net cost, less appropriate set-offs and legal claims, if any.

(c) “Compensation” means a payment of any money, thing of value, or financial benefit conferred in return for inducing another person to participate in a pyramid promotional scheme.

(d) “Consideration” as used in Sections 75-24-71 through 75-24-77 means the payment of cash or the purchase of goods, services, or intangible property. The term does not include the purchase of goods or services furnished at cost to be used in making sales and not for resale, or time and effort spent in pursuit of sales or recruiting activities.

(e) “Inventory” includes both goods and services, including company-produced promotional materials, sales aids, and sales kits that an entity requires independent salespersons to purchase.

(f) “Inventory loading” means the requirement or encouragement by a plan or operation that its independent salesperson purchase inventory in an

amount that exceeds the amount that the salesperson can expect to resell for ultimate consumption or to use or consume in a reasonable time period, or both.

(g) "Promote" means to contrive, prepare, establish, plan, operate, advertise, or otherwise induce or attempt to induce another person to participate in a pyramid promotional scheme.

(h) "Pyramid promotional scheme" means any plan or operation by which a person gives consideration for the opportunity to receive compensation that is derived primarily from the introduction of other persons into the plan or operation rather than from the sale and consumption of goods, services, or intangible property by a participant or other persons introduced into the plan or operation. The term includes any plan or operation under which the number of people who may participate is limited either expressly or by the application of conditions affecting the eligibility of a person to receive compensation under the plan or operation, or any plan or operation under which a person, on giving any consideration, obtains any goods, services, or intangible property in addition to the right to receive compensation.

**HISTORY:** Laws, 2018, ch. 394, § 1, eff from and after July 1, 2018.

### § 75-24-73. Pyramid promotional scheme prohibited.

(1) A person may not establish, promote, or operate any pyramid promotional scheme. Any limitation regarding the number of persons who may participate or the presence of additional conditions affecting eligibility for the opportunity to receive compensation under the plan does not change the identity of the plan as a pyramid promotional scheme.

(2) The provisions of this section may not be construed to prohibit a plan or operation, or to define a plan or operation as a pyramid promotional scheme, if the participants in the plan or operation give consideration in return for the right to receive compensation based upon purchases of goods, services, or intangible property by participants for personal use, consumption, or resale if both of the following conditions are met: (a) the plan or operation does not cause inventory loading, and (b) the plan or operation implements a bona fide inventory repurchase program.

(3) An entity must clearly describe a bona fide inventory repurchase program in its recruiting literature, sales manual, or contracts with independent salespersons. The recruiting literature, sales manual, or contract must disclose any inventory that is not eligible for repurchase under the program.

(4) A bona fide inventory repurchase program is not required to apply to inventory that is no longer within the inventory's commercially reasonable use or shelf life period or has been used or opened.

(5) Before a salesperson of the entity purchases any inventory, the entity must clearly describe the inventory that is excluded from the entity's bona fide inventory repurchase program as seasonal, discontinued, or special promotion products and the inventory that is not subject to the entity's bona fide inventory repurchase program.

**HISTORY:** Laws, 2018, ch. 394, § 2, eff from and after July 1, 2018.

### § 75-24-75. Injunctive relief.

In addition to other penalties and remedies provided in Sections 75-24-71 through 75-24-77, whenever it appears that any person is engaged or is about to engage in any act or practice which constitutes a pyramid sales scheme or which is prohibited by Sections 75-24-71 through 75-24-77, the Attorney General may bring an action in the name of the state pursuant to the provisions of Section 75-24-9 in order to enjoin any such act or practice.

docking, and (2) reasonable jurors could find the seller's wood was culled to take quality wood without paying, not the seller's failure to meet the buyer's quality standards. Ga. Pac. Corp. v. Cook Timber Co., 194 So. 3d 118, 2016 Miss. LEXIS 269 (Miss. 2016).

- (g) The following statement printed in at least ten-point type in a color that provides a clear contrast to the background of the label: "Made in a cottage food operation that is not subject to Mississippi's food safety regulations."

(4) This section does not exempt a cottage food operation from any federal tax law, rule, regulation, or certificate that applies to all cottage food operations.

(5)(a) The department may investigate any complaint that alleges that a cottage food operation has violated an applicable provision of this section or rule adopted under this section.

(b) Only upon receipt of a complaint, the department's authorized officer or employee may enter and inspect the premises of a cottage food operation to determine compliance with this section and department rules. ### MEAT INSPECTION

Article 1.	Inspection Requirements; Adulteration and Misbranding.....	75-35-1
------------	--	---------

#### ARTICLE 1.

### INSPECTION REQUIREMENTS; ADULTERATION AND MISBRANDING.

Sec.	
75-35-15.	Labeling of receptacles or covering of meat or meat food products; labeling requirements generally; standards of identity or fill; false or misleading labels.

**§ 75-35-15. Labeling of receptacles or covering of meat or meat food products; labeling requirements generally; standards of identity or fill; false or misleading labels.**

(1) When any meat or meat food product has been inspected as hereinbefore provided and marked "Mississippi inspected and passed" or appropriate marking shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this chapter is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin,

canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "Mississippi inspected and passed" or appropriate marking under the provisions of this chapter, and no inspection and examination of meat or meat food products deposited or enclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this chapter is maintained shall be deemed to be complete until such meat or meat food products have been sealed or enclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.

(2) All carcasses, parts of carcasses, meat and meat food products inspected at any establishment under the authority of this chapter and found to be not adulterated, shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the commissioner may require, the information required under paragraph (k) of Section 75-35-3.

(3) The commissioner, whenever he determines such action is necessary for the protection of the public, may prescribe:

(a) The styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling of any products or animals subject to this article or Article 3 of this chapter; and

(b) Definitions and standards of identity or composition for items subject to this article and standards of fill of container for such products not inconsistent with any such standards established under the Federal Food, Drug, and Cosmetic Act, or under the Federal Meat Inspection Act, and there shall be consultation between the commissioner and the Secretary of Agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

(4) No item or product subject to this article shall be sold or offered for sale by any person, firm, or corporation, under any name or other marking or labeling which is false or misleading, or in any container of a misleading form or size, but established trade names and other marking and labeling and containers which are not false or misleading and which are approved by the commissioner, are permitted. A food product that contains cultured animal tissue produced from animal cell cultures outside of the organism from which it is derived shall not be labeled as meat or a meat food product. A plant-based or insect-based food product shall not be labeled as meat or a meat food product.

(5) If the commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any item subject to this article is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the marking, labeling or container does not accept the determination of the commissioner, such person, firm, or corporation may request a hearing, but the

use of the marking, labeling, or container shall, if the commissioner so directs, be withheld pending hearing and final determination by the commissioner. Any party aggrieved by such final determination may, within thirty (30) days after receipt of notice of such final determination, effect an appeal therefrom to the chancery court of the county in which such party resides or in which the principal place of his business is domiciled; and, on appeal, such chancery court shall affirm, modify, or set aside the commissioner's final determination.

Sec.

75-47-11. Inspection fees.  
75-47-13. Tonnage reports.

#### § 75-47-11. Inspection fees.

(1) There shall be paid to the commissioner for all commercial fertilizers distributed in this state an inspection fee at the rate of Twenty-five Cents (25¢) per ton, provided that sales to manufacturers or exchanges between them are hereby exempted. Fees so collected shall be used for the payment of the costs, by act of the Legislature, of inspection, sampling and analysis, and other expenses necessary for the administration of this chapter. On individual packages of commercial fertilizer containing ten (10) pounds or less, there shall be paid in lieu of the annual registration fee of Ten Dollars (\$10.00) per brand and grade and the Twenty-five Cents (25¢) per ton inspection fee, an annual registration fee and inspection fee of Fifty Dollars (\$50.00) for each brand and grade sold or distributed. Where a person sells commercial fertilizer in packages of ten (10) pounds or less and in packages over ten (10) pounds, this annual registration and inspection fee of Fifty Dollars (\$50.00) shall apply only to that portion sold in packages of ten (10) pounds or less, and that portion sold in packages over ten (10) pounds shall be subject to the same inspection fee of Twenty-five Cents (25¢) per ton as provided in this chapter.

(2) Every registrant or guarantor who distributes a commercial fertilizer in this state shall file with the commissioner, on forms furnished by the commissioner, an annual statement setting forth the number of net tons of each commercial fertilizer distributed in this state during the previous year. The report shall be due on or before the thirtieth day of the month following the close of the reporting year. Upon such statement the registrant shall pay the inspection fee at the rate stated in subsection (1) of this section.

If the tonnage report is not filed and the payment of inspection fee is not made within thirty (30) days after the end of the reporting year, a collection fee amounting to ten percent (10%) of the amount, but in no case less than Ten Dollars (\$10.00), shall be assessed against the registrant, and the amount of fees due shall constitute a debt and become the basis of a judgment against the registrant.

(3) When more than one (1) person is involved in the distribution of a commercial fertilizer, the last person who has the fertilizer registered and who distributes to a nonregistrant, dealer or consumer, is responsible for reporting the tonnage and paying the inspection fee.

**HISTORY:** Codes, 1942, § 4450-06; Laws, 1970, ch. 263, § 6; Laws, 1973, ch. 411, § 1; Laws, 1987, ch. 523, § 6; Laws, 1997, ch. 448, § 2; Laws, 2017, ch. 320, § 1, eff from and after July 1, 2017.

**Amendment Notes** — The 2017 amendment, in (2), in the first paragraph, rewrote the first sentence, which read: “Every registrant or guarantor who distributes a commercial fertilizer in this state shall file with the commissioner, on forms furnished by the commissioner, a quarterly statement for the periods ending September 30, December 31, March 31 and June 30, setting forth the number of net tons of each commercial fertilizer distributed in this state during such quarter,” substituted “the reporting year” for “each quarter” in the second sentence, and substituted “subsection (1)” for “paragraph (1)” in the last sentence, and substituted “the reporting year” for “the quarter” in the second paragraph; and inserted “(1)” following “more than one” in (3).

### § 75-47-13. Tonnage reports.

All fertilizer registrants transacting, distributing or selling commercial fertilizer to a nonregistrant shall file with the commissioner an annual report showing the county code of the consignee, each grade of commercial fertilizer, the amounts in tons, the Uniform Fertilizer Tonnage Reporting System (UFTRS) code, the form in which the fertilizer was distributed (bag, bulk or liquid) and the use (farm or nonfarm). This report of tonnage sold shall be reported by one (1) of the following methods:

(a) Submitting a summary report on forms furnished by the commissioner; or

(b) Submitting an electronic disk format or text file acceptable to the UFTRS. Each reporting method shall be as set forth in Section 75-47-11(2). No information furnished to the commissioner under this section shall be disclosed in such a way as to divulge the methods of operation of any registrant.

**HISTORY:** Codes, 1942, § 4450-07; Laws, 1970, ch. 263, § 7; Laws, 1997, ch. 448, § 3; Laws, 2017, ch. 320, § 2, eff from and after July 1, 2017.

**Amendment Notes** — The 2017 amendment substituted “an annual report” for “a summary quarterly report” in the introductory paragraph; and substituted “shall be as set forth” for “shall be due on the specified dates set forth” in the second sentence of (b).

### § 75-55-37. Penalty [Repealed effective July 1, 2023].

(1) The commissioner or his duly appointed representatives shall have the right to request an inspection of any pump, truck, or other equipment, and if upon such inspection any such pump, truck, or other equipment is found to be inaccurate to the extent that a test thereof shows a deficiency of more than twenty-five (25) cubic inches on a five (5) gallon measurement, or if the right to inspect any such pump, truck, or other equipment is refused or denied the commissioner, or his duly authorized representatives, he or they shall have the right to immediately close and lock said pump and other equipment or to seal same with the commissioner’s seal. If such pump, truck, or other equipment is found to be inaccurate but the deficiency is twenty-five (25) cubic inches or less on a five (5) gallon measurement, then the commissioner or his representative shall give the owner or operator thereof forty-eight (48) hours within which to correct such inaccuracy and if such person fails or refuses to correct same within said period then the commissioner or his representative shall have the right to lock and seal such pump or other equipment in the same manner as provided above.

It shall be *prima facie* presumed upon any refusal to allow the right to inspect that the pump, truck, or other equipment sought to be inspected is inaccurate to the extent set forth above, or is operating in violation of this chapter. When any such pump or other equipment is locked or sealed, it may not be unlocked or the seal thereon broken except in the presence of a mechanic or other person called for the purpose of repairing the inaccuracy in the machinery of such pump or other equipment, and such inaccuracy shall be immediately thereafter repaired, and the pump or other equipment properly regulated. The commissioner may, in his discretion, require an affidavit from the mechanic repairing such pump or other equipment, or any other proof which he may deem advisable to the effect that said pump was unlocked or the seal thereon broken in the presence of such mechanic, and that the inaccuracies therein were thereupon completely repaired or regulated.

When a state or factory seal is broken on the measuring adjustment device on a retail pump, it shall be the duty of the station operator to notify the commissioner by United States mail, within twenty-four (24) hours, after the breaking of said seal. After the commissioner has received written notice as herein provided and he or his agent has resealed the measuring adjustment device on the pump or pumps at this station, it shall be unlawful for the owner or operator of the station or any of his employees to break a state or factory seal on the measuring adjustment device on any pump at the station during the ensuing ninety (90) days without the prior approval of the commissioner or his agent.

The State of Mississippi shall have a lien on all pumps, trucks, and other equipment used by any distributor, or other person, in the operation of his business for any tax or penalty due the State of Mississippi because of any

violation of this chapter. Such lien shall be paramount to any and all private liens and all the provisions set out in Chapter 7, Title 85, Mississippi Code of 1972, shall be applicable herein for the purpose of securing the enforcement of said lien, and particularly the right to secure the issuance of a writ of summons and seizure and proceedings had and done after the issuance of said writ shall be applicable. Provided, however, that the commissioner shall not be required to give any bond in any such case.

Any person or officer, agent or employee thereof who shall violate any provision of this chapter shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine not exceeding One Hundred Dollars (\$100.00) for the first offense and not less than One Hundred Dollars (\$100.00) nor more than Two Hundred Dollars (\$200.00) for each subsequent offense or imprisonment in the county jail for a period not to exceed ninety (90) days or both.

(2) If a person who, by himself, by his agent, or as the servant or agent of another person commits a violation of this chapter, the commissioner or his designee may impose any, all or a combination of the following penalties:

(a) A stop sale order for any engine fuel, nonengine fuel, automotive lubricant or any other petroleum product not in compliance with this chapter. A remand of the stop sale order may be issued if the engine fuel, nonengine fuel, automotive lubricant or petroleum product is brought into full compliance with this chapter. The stop sale order may be appealed to the commissioner or his designee within twenty (20) days from the receipt of the order.

(b) A warning letter for violations of this chapter.

(c) A civil penalty of not more than Three Thousand Dollars (\$3,000.00) per violation. A person may request an administrative hearing within thirty (30) days of receipt of the notice of the penalty. The commissioner or his designee shall conduct a hearing after giving reasonable notice to the person. The decision may be appealed to the Circuit Court of the First Judicial District of Hinds County.

(3) If the person has exhausted his administrative appeals, he shall pay the civil penalty within thirty (30) days after the effective date of the final decision. If the person fails to pay the penalty, the commissioner may bring a civil action in any court of competent jurisdiction to recover the penalty.

(4) The commissioner is authorized to suspend, revoke and/or permanently deny a registration under the Petroleum Products Inspection Law of Mississippi to any person, firm, corporation or other organization determined to be guilty of two (2) or more violations per location, per year, of the Petroleum Products Inspection Law of Mississippi and the rules and regulations in force pursuant thereto.

(5) In lieu of, or in addition to, the penalties provided above, the commissioner and the State Chemist shall have the power to institute and maintain in the name of the state any and all proceedings necessary or appropriate to enforce the provisions of the Petroleum Products Inspection Law of Mississippi and the rules and regulations in force pursuant thereto, in the appropriate circuit, chancery, county or justice court in which venue may

lie. The commissioner and the State Chemist may obtain mandatory or prohibitory injunctive relief, whether temporary or permanent, and it shall not be necessary for the state to post a bond or prove that no adequate remedy is available at law.

(6) All penalties assessed by the commissioner under this section shall be deposited in the State General Fund.

(7) This section shall stand repealed on July 1, 2023.

"For its own use" means for its own consumption or in the manufacture of products other than motor fuel.

All appeals from the Mississippi Community College Board shall be on the record and shall be filed in the Chancery Court of the First Judicial District of Hinds County, Mississippi.

The term of the bond shall be continuous, but it shall be subject to cancellation by the surety in the manner described in this section. The bond shall provide blanket coverage for the acts of all persons engaged as agents of the school without naming them and without regard to the time they are engaged during the term of the bond.

First priority for the use of surety bonds shall be given to students impacted by the closing of the proprietary school.

The surety may terminate the bond upon giving a sixty-day written notice to the principal and to the Commission on Proprietary School and College Registration, but the liability of the surety for acts of the principal and its agents shall continue during the sixty (60) days of cancellation notice. The notice does not absolve the surety from liability which accrues before the cancellation becomes final but which is discovered after that date and which may have arisen at any time during the term of the bond. Unless the bond is replaced by that of another surety before the expiration of the sixty (60) days' notice of cancellation, the certificate of registration shall be suspended. Any person subject to this chapter required to file a bond with an application for a certificate of registration may file, in lieu thereof, cash, a certificate of deposit, or government bonds of the same dollar value as the prescribed bond. Said deposit is subject to the same terms and conditions as are provided for in the surety bond required herein. Any interest or earnings on such deposits are payable to the depositor.

**Amendment Notes —** The 2019 amendment added the third sentence of the first paragraph; and added the second paragraph.

### **§ 75-60-23. Agent permit required.**

No person employed by an institution licensed by the commission, regardless of job title, job description, full-time or part-time employment status, shall directly or indirectly influence the decision of any prospective student to enroll for a fee in a course of instruction without first securing a permit as an agent from the Commission on Proprietary School and College Registration. If the person represents more than one (1) institution or campus, a separate permit shall be obtained for each institution or campus represented. Agent permits

shall only be issued to agents of institutions that hold a certificate of registration issued by the commission.

Any agent permit applied for shall be granted or denied within sixty (60) days of the receipt of the application therefor by the commission. If the commission has not completed its determination with respect to the issuance of an agent permit within such sixty-day period, it shall issue a temporary agent permit to the applicant, which permit is sufficient to meet the requirements of Section 75-60-23 until such time as such determination is made. Upon approval for an agent permit, the commission shall issue a permit to the person, giving his or her name, agent permit number and the name and campus location of his or her employing school, and certifying that the person whose name appears on the permit is an authorized agent of the school. An agent permit is valid for one (1) year from the date on which it was issued.

No current insurance benefits or future graduated insurance benefits may be reimbursed, including any current or future graduated insurance benefits in any insurance company insolvency guaranty fund association. Upon the death of the beneficiary and the applicant's

compliance with all applicable rules of the association, reimbursement from the fund may be made to the estate of the beneficiary, the purchaser or applicant with payment jointly to the funeral home or cemetery providing services or merchandise, or both, only to the extent to which losses are not bonded or otherwise covered. If the association makes payments from the fund under this section, the association is subrogated in the reimbursed amount and may bring an action against any person or entity, including a preneed provider. The association may enforce claims it may have for restitution or otherwise and may employ and compensate from the fund consultants, legal counsel, accountants and other persons it considers appropriate to assure compliance with this section.

(5) The association shall investigate all applications made and may reject or allow claims, in whole or in part. Payment may be made only to the extent that monies are available in the fund, and payments may be prorated among claimants. Reimbursements for completed claims must be processed subject to availability of monies in the fund. The association has complete discretion to determine the order and manner of payment of approved applications. The association may approve one (1) application, in whole or in part, that includes more than one (1) reparation claim for the benefit of purchasers of prepaid contracts of an insolvent registrant as part of a plan to arrange for another registrant to assume the obligations of the licensee being liquidated if the association finds that the plan is reasonable and is in the best interests of the contract beneficiaries. All payments are a matter of privilege and not a right, and no person has a right in the fund as a third-party beneficiary or otherwise.

(6) The association shall develop a form of application for reimbursement.

(7) This fund and all interest earned may be used only as prescribed in this section and may not be used for any other purposes to the extent losses are not bonded, insured, or otherwise covered, protected or reimbursed. Further, all monies deposited into the fund shall not be subject to any deduction, tax, judgment lien, levy, or any other type of assessment except as may be provided in this article. The association may expend monies from the fund to:

(a) Make reimbursements on approved applications;

(b) Purchase insurance to cover losses and association liability as considered appropriate by the directors and not inconsistent with the purpose of the fund;

(c) Invest portions of the fund as are not currently needed to reimburse losses and maintain adequate reserves, as are permitted to be made by fiduciaries under state law;

(d) Pay the expenses of the association for administering the fund, including employment of legal counsel, accountants, consultants and other persons the board considers necessary to assure compliance with this section;

(e) Effective upon June 23, 2017, no monies deposited to the fund may be used to reimburse, or otherwise defray any costs that the Office of the Secretary of State may incur in administering this fund, or in support of the association.

(8) No person may make, publish, disseminate, circulate or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter, poster or over any radio station or television station, or in any other way, any advertisement, announcement, or statement that uses the existence of the fund for the purpose of sales, solicitation or inducement to purchase any form of preneed contract covered under this article.

(9) The Secretary of State may establish rules and regulations necessary to implement the purposes of this section including, but not limited to, rules governing the association's operations, claim procedures, determination of solvency or insolvency of a preneed provider, claimant eligibility and determination of appropriate loss payee.

(10) No purchaser or representative of a purchaser is provided in this section with any administrative right or legal or equitable right to any funds collected for this association to satisfy any judgment or economic loss of the purchaser from a prepaid funeral or cemetery organization except for the purposes of this section. This fund is established for the discretionary relief of purchasers and their representatives of prepaid funeral or cemetery contracts from insolvent prepaid funeral or cemetery organizations or prepaid funeral businesses with severe trust fund account shortages as determined by the directors. Coverage is limited to the claimant's actual contract payments made. There shall be no fund coverage for additional economic damages, attorney's fees, recovery costs, interest, other equitable relief or noneconomic damages.

Further, no claimant shall be eligible for compensation from the fund unless the contract purchaser for whom a claim is asserted paid to the preneed provider the loss recovery fee required by subsection (2) of this section. The fund shall have no liability for preneed contracts sold or claims that occurred or accrued before July 1, 2009.

(11) There shall be no liability on the part of and no cause of action of any nature shall arise against any director of the association, the Secretary of State, his representatives, agents or employees for any act or omission by them in the performance of their powers and duties under this article, or in its administration, dispensation, handling or collection of funds for the program.

(12) Directors of the association shall be appointed by the Secretary of State and shall consist of no fewer than five (5), one (1) from each of the Mississippi Supreme Court Districts and two (2) from the state at large. In making director appointments the Secretary of State shall consider, among other things, whether all association members are fairly represented. At least three (3) of the directors must possess five (5) years' or more experience in the preneed funeral service and merchandise business as an owner or manager. All directors shall be appointed for staggered six-year terms, with the exception of the initial terms of service for the original five (5) directors. The Secretary of State may appoint any director to a successive six-year term. The initial term of service for all directors shall begin on October 1, 2009, with the initial term of two (2) directors to be determined by the Secretary of State at appointment.

expiring on September 30, 2011, and two (2) directors to be determined by the Secretary of State at appointment expiring on September 30, 2013. The initial term for the remaining director to be determined by the Secretary of State at appointment shall expire on September 30, 2015.

(13) [Deleted]

(14) The association and its directors shall assist the Secretary of State and be subject to the applicable provisions of the laws of this state. The association shall be subject to examination and regulation by the Secretary of State. The association by its directors shall prepare and submit to the Secretary of State each year, not later than March 1 of each year, a financial report in a form approved by the Secretary of State and a report of activities during the preceding calendar year.

(15) Appeal rights for claim decisions issued by the association directors exist in the chancery court in this state in which an estate has been open for probate by the representative of the claimant; the chancery court in the county in which the preneed contract was purchased; or the chancery court in this state of the claimant's or decedent's home county. A notice of appeal must be filed within thirty (30) days of the association's written order denying the claim, in whole or in part, and appeal to the chancery court is limited to a review of the record made before the association's directors on a substantial evidence evidentiary standard.

Article 4.	Broker-dealers, agents, investment advisers, investment adviser representatives, and federal covered investment advisers. ....	75-71-401
Article 7.	Transition. ....	75-71-701

## ARTICLE 3.

### REGISTRATION OF SECURITIES AND NOTICE FILING OF FEDERAL COVERED SECURITIES.

Sec.		
75-71-305.	Securities registration filings.	
75-71-310.	Filing fees.	

**§ 75-71-305. Securities registration filings.**

(a) **Who may file.** A registration statement may be filed by the issuer, a person on whose behalf the offering is to be made, or a broker-dealer registered under this chapter.

(b) **Filing fee.** A person filing a registration statement shall pay a filing fee as set forth in Section 75-71-310. This fee shall be nonrefundable.

(c) **Status of offering.** A registration statement filed under Section 75-71-303 or 75-71-304 must specify:

(1) The amount of securities to be offered in this state;

(2) The states in which a registration statement or similar record in connection with the offering has been or is to be filed; and

(3) Any adverse order, judgment, or decree issued in connection with the offering by a state securities regulator, the Securities and Exchange Commission, or a court.

(d) **Incorporation by reference.** A record filed under this chapter or the predecessor act within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(e) **Nonissuer distribution.** In the case of a nonissuer distribution, information or a record may not be required under subsection (i) or Section 75-71-304, unless it is known to the person filing the registration statement or to the person on whose behalf the distribution is to be made or unless it can be furnished by those persons without unreasonable effort or expense.

(f) **Escrow and impoundment.** A rule adopted or order issued under this chapter may require as a condition of registration that a security issued within the previous five (5) years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow; and that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The conditions of any escrow or impoundment required under this subsection may be established by rule adopted or order issued under this chapter, but the administrator may not reject a depository institution solely because of its location in another state.

(g) **Form of subscription.** A rule adopted or order issued under this chapter may require as a condition of registration that a security registered under this chapter be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed under this chapter or preserved for a period specified by the rule or order, which may not be longer than five (5) years.

(h) **Effective period.** Except while a stop order is in effect under Section 75-71-306, a registration statement is effective for one (1) year after its effective date, or for any longer period designated in an order under this chapter during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by an underwriter or broker-dealer that is still offering part of an unsold allotment or subscription taken as a participant in the distribution. For the purposes of a nonissuer transaction, all outstanding securities of the same class identified in the registration statement as a security registered under this chapter are considered to be registered while the

registration statement is effective. If any securities of the same class are outstanding, a registration statement may not be withdrawn until one (1) year after its effective date. A registration statement may be withdrawn only with the approval of the administrator.

(i) **Periodic reports.** While a registration statement is effective, a rule adopted or order issued under this chapter may require the person that filed the registration statement to file reports, not more often than quarterly, to keep the information or other record in the registration statement reasonably current and to disclose the progress of the offering.

(j) **Posteffective amendments.** A registration statement may be amended after its effective date. The posteffective amendment becomes effective when the administrator so orders. A posteffective amendment relates back to the date of the offering of the additional securities being registered if, within one (1) year after the date of the sale, the amendment is filed and the additional registration fee is paid.

**HISTORY:** Laws, 2009, ch. 528, § 1, eff from and after Jan. 1, 2010; Laws, 2020, ch. 360, § 1, eff from and after July 1, 2020.

**Amendment Notes —** The 2020 amendment, in (b), deleted “except as provided in Section 75-71-310” from the end; and in (j), deleted the former third sentence, which read: “If a posteffective amendment is made to increase the number of securities specified to be offered or sold, the person filing the amendment shall pay a registration fee calculated in the manner specified in Section 75-71-310, with respect to the additional securities proposed to be offered.”

## § 75-71-310. Filing fees.

(a) **Required fees for notice filing for federal covered securities under Section 18(b)(2).** The initial filing fee for a notice filing with respect to a federal covered security described in subsection (a) of Section 75-71-302 is One Thousand Dollars (\$1,000.00).

(b) **Required fees for notice filings for federal covered securities.** The filing fee for a notice filing with respect to a security that is a federal covered security described in Section 75-71-302(c) and (e) is Three Hundred Dollars (\$300.00). The fee for a late filing, which is an additional fee, is one percent (1%) of the dollar amount of the offering sold in the state up to a maximum of Five Thousand Dollars (\$5,000.00).

(c) **Required fees for securities registration filings under Section 75-71-305.** The filing fee for a registration statement under Section 75-71-305 is One Thousand Dollars (\$1,000.00).

(d) **Renewals.** The fee for any renewal required under this chapter or rule of the administrator is Three Hundred Dollars (\$300.00).

(e) **Termination or Withdrawal.** The fee for filing a notification of completion, termination, or withdrawal of an offering required under this chapter or rule of the administrator if Fifty Dollars (\$50.00).

**HISTORY:** Laws, 2009, ch. 528, § 1, eff from and after Jan. 1, 2010; Laws, 2016,

ch. 321, § 2, eff from and after July 1, 2016; Laws, 2020, ch. 360, § 2, eff from and after July 1, 2020.

**Amendment Notes** — The 2020 amendment, in (a), deleted “one-tenth (1/10) of one percent (1%) of the dollar amount of the offering to be registered with a minimum fee of Three Hundred Dollars (\$300.00) and a maximum fee of” and the last sentence, which read: “The renewal fee for a notice filing with respect to a federal covered security described in subsection (a) of Section 75-71-302 is one-tenth (1/10) of one percent (1%) of the amount sold in the state with a minimum fee of Three Hundred Dollars (\$300.00) and a maximum fee of One Thousand Dollars (\$1,000.00)”; in (b), substituted “described in Section 75-71-302(c) and (e)” for “under the Securities Act of 1933 (15 USC Section 77r)”; in (c), deleted “one-tenth (1/10) of one percent (1%) of the dollar amount of the offering to be registered with a minimum fee of Three Hundred Dollars (\$300.00) and a maximum fee of” and deleted (2), which read: “The filing fee for an amendment to a registration statement under Section 75-71-305 to register additional securities shall be calculated in the manner specified in paragraph (1) with respect to the additional securities proposed to be offered”; and added (d) and (e).

**§ 75-71-412. Denial, revocation, suspension, withdrawal, restriction, condition, or limitation of registration.**

(a) **Disciplinary conditions-applicants.** If the administrator finds that the order is in the public interest and subsection (d) authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant to be a broker-dealer, agent, investment adviser, or investment adviser representative, and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

However, the administrator may not:

(2) Under subsection (d)(5)(A) or (B), issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which subsection (d) would authorize the action had the conduct occurred in this state.

(c) **Disciplinary penalties-registrants.** If the administrator finds that the order is in the public interest and subsection (d)(1) through (6), (8), (9), (10), (12) or (13) authorizes the action, an order under this chapter may censure, impose a bar, or impose a civil penalty in an amount not to exceed a maximum of the amount specified in Section 75-71-613 for each violation on a registrant, and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser.

(7) Is insolvent, either because the person's liabilities exceed the person's assets or because the person cannot meet the person's obligations as they mature, but the administrator may not enter an order against an applicant or registrant under this subsection (d) without a finding of insolvency as to the applicant or registrant;

(8) Refuses to allow or otherwise impedes the administrator from conducting an audit or inspection under Section 75-71-411(d) or refuses access to a registrant's office to conduct an audit or inspection under Section 75-71-411(d);

However, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this subsection if the individual has successfully completed all examinations required by subsection (e). The administrator may require an applicant for registration under Section 75-71-402 or 75-71-404 who has not been registered in a state

within the two (2) years preceding the filing of an application in this state to successfully complete an examination.

(e) **Examinations.** A rule adopted or order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a rule adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) **Summary process.** The administrator may suspend or deny an application summarily; restrict, condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the administrator shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator within thirty (30) days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.

(g) **Procedural requirements.** An order issued may not be issued under this section, except under subsection (f), without:

(h) **Control person liability.** A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the administrator under subsections (a) through (c) to the same extent as the noncomplying person, unless the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct that is a ground for discipline under this section.

(i) **Limit on investigation or proceeding.** The administrator may not institute a proceeding under subsection (a), (b), or (c) based solely on material facts actually known by the administrator unless an investigation or the proceeding is instituted within one (1) year after the administrator actually acquires knowledge of the material facts.

###### I. Under Current Law.

###### 1. In general.

As with subsection (2), subsection (3) contains no scienter requirement; the question is simply whether the actor's conduct operated as a fraud or deceit. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

Substantial evidence supported the finding of the Mississippi Secretary of State that a contractor engaged in an act, practice, or course of business that operated as a fraud or deceit upon another person because the contractor used bond proceeds for an unrelated project; the contractor used proceeds from the bond sale, held in trust, to purchase property for the unrelated project. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

Substantial evidence supported the finding that a contractor's alleged misappropriation was tied to his alleged misrepresentations in a private placement memorandum, bond-purchase contract, and loan agreement because the misappropriation constituted part of a larger fraudulent scheme; the contractor used proceeds from the bond sale to purchase property for an unrelated project and never provided any indication to the trustee that he was withdrawing funds for that purpose. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

Substantial evidence supported the finding that a contractor's representation that bond proceeds would be used to fi-

nance a project and his failure to disclose that some of the proceeds would be used on another project occurred in connection with the bond sale because the contractor was instrumental in preparing a private placement memorandum to obtain the bond sale, he was a party to the bond-purchase contract, and he was a party to the loan agreement to access the proceeds from that sale. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

Lawful securities transaction followed by the misappropriation of the funds accrued therefrom is not enough because the statute addresses only frauds related to the offer, sale, or purchase itself; that said, the later misappropriation of funds may serve as circumstantial, though not dispositive, evidence that the misappropriation occurred as part of a larger fraudulent scheme relating to the offer, sale, or purchase. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

As with subsection (2), subsection (3) contains no scienter requirement; the question is simply whether the actor's conduct operated as a fraud or deceit. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1050, 2017 Miss. LEXIS 74 (Miss. 2017).

Chancellor erred in setting aside a finding that the developer failed to disclose the significant financial obligations resulting from the development agreement where the evidence showed that the financial obligation was significant and material, and its omission rendered the documents misleading and false. *Watkins Dev., LLC v. Hosemann*, 214 So. 3d 1101, 2016 Miss. App. LEXIS 434 (Miss. Ct. App. 2016).

Chancellor properly found that a transfer of bond proceeds violated Miss. Code Ann. § 75-71-501 where the developer

failed to disclose its intention to use the proceeds to purchase property for an unrelated development project, and although it was owed money under a development agreement, the actual transfer was accomplished without any documentation supporting its validity. Watkins Dev., LLC v. Hosemann, 214 So. 3d 1101, 2016 Miss. App. LEXIS 434 (Miss. Ct. App. 2016).

## 2. Authority of Secretary of State.

Secretary of State had authority to find

that a developer violated Miss. Code Ann. § 75-71-501(2) by failing to disclose the significant financial liability set forth in a development agreement where the definition of general fraud included an omission of a material fact, and the determination of whether the developer's omission of the development agreement, which included another entity's significant financial liability, from the documents constituted a question of fact. Watkins Dev., LLC v. Hosemann, 214 So. 3d 1101, 2016 Miss. App. LEXIS 434 (Miss. Ct. App. 2016).

2. Game.

#### **2. Game.**

Instruction stating that poker and keno were gambling games and could only be offered on the premises of a licensed gaming establishment fairly stated the applicable law and thus, created no injustice because poker and keno were explicitly illegal under Mississippi’s gaming laws; those games could not be part of any lawful marketing promotion, contest, prize, or sweepstakes under the “safe harbor” in Miss. Code Ann. § 97-33-8(5)(b). Moore v. State, 309 So. 3d 7, 2020 Miss. App. LEXIS 391 (Miss. Ct. App. 2020), cert. denied, 309 So. 3d 451, 2021 Miss. LEXIS 8 (Miss. 2021).

Exclusion in the Gaming Control Act, Miss. Code Ann. § 75-76-5, of the illegal gambling activities described in Miss. Code Ann. § 97-33-8 from its definition of “game” or “gambling games” simply clarify that § 97-33-8 contains its own defined terms in providing that the operation of Internet sweepstakes cafes is an illegal gambling activity under state law. In calculating the amount of such fees, the commission shall:

(h) Prescribing the manner and method of collection and payment of fees and issuance of licenses.

(i) Prescribing under what conditions a licensee may be deemed subject to revocation or suspension of his license.

(4) From and after July 1, 2016, the expenses of this agency shall be defrayed by appropriation from the State General Fund and all user charges

and fees authorized under this section shall be deposited into the State General Fund as authorized by law.

(5) From and after July 1, 2016, no state agency shall charge another state agency a fee, assessment, rent or other charge for services or resources received by authority of this section.

**Editor's Notes** — Laws of 2017, ch. 336, § 12, effective March 13, 2017, provides: “SECTION 12. Application for licensure as a fantasy contest operator may be made at any time.”

**Amendment Notes** — The 2017 amendment, in (3), substituted “regulation that” for “following regulations,” deleted former (a), which read: “No wagering shall be allowed on the outcome of any athletic event, nor on any matter to be determined during an athletic event, nor on the outcome of any event, which does not take place on the premises,” deleted the former (b) designation, and made a related stylistic change.

## FINANCIAL AFFAIRS OF LICENSEES

### § 75-76-51. Commission to adopt regulations prescribing manner of computing and reporting winnings, compensation and gross revenues.

#### JUDICIAL DECISIONS

##### 1. Expired vouchers.

Mississippi Gaming Commission’s Executive Director did not exceed statutory authority by finding a casino’s vouchers had expired because the vouchers met

requirements the Executive Director had authority to promulgate. Shriver v. Boyd Biloxi LLC, 281 So. 3d 63, 2019 Miss. App. LEXIS 12 (Miss. Ct. App. 2019).

## DISCIPLINARY ACTIONS

### § 75-76-121. Circuit court review of decision or order of commission; enforcement of decision or order not stayed.

#### JUDICIAL DECISIONS

##### 1. In general.

Circuit court properly denied the Mississippi Gaming and Hospitality Association’s motions to intervene in actions related to applications for gaming site approval where even if it was considered a party of record, Miss. Code Ann. § 75-76-

121 required only that it be served a copy of the applicants’ petition for judicial review, not that all parties of record be named either a respondent or appellee in a petition for review, and the Association agreed that it was not aggrieved by the decisions. Miss. Gaming & Hosp. Ass’n v.

Diamondhead Real Estate, LLC, 265 So. 3d 135, 2019 Miss. LEXIS 26 (Miss. 2019).

Mississippi Gaming and Hospitality Association had no right to intervene in actions involving applications for gaming

site approval as Miss. Code Ann. § 75-76-121(4) provided only permissive intervention. Miss. Gaming & Hosp. Ass'n v. Diamondhead Real Estate, LLC, 265 So. 3d 135, 2019 Miss. LEXIS 26 (Miss. 2019).

This revenue shall be used first for matching funds made available to the state for such purposes pursuant to any federal highway infrastructure program implemented after September 1, 2018.

[From and after July 1, 2028, this section shall read as follows:]

On or before the last day of each month all taxes, fees, interest, penalties, damages, fines or other monies collected by the Department of Revenue during that month under the provisions of this chapter, with the exception of (a) the local government fees imposed under Section 75-76-195, and (b) an amount equal to Three Million Dollars (\$3,000,000.00) of the revenue collected pursuant to the fee imposed under Section 75-76-177(1)(c) shall be paid by the Department of Revenue to the State Treasurer to be deposited in the State General Fund. The local government fees shall be distributed by the Depart-

ment of Revenue pursuant to Section 75-76-197. An amount equal to Three Million Dollars (\$3,000,000.00) of the revenue collected during that month pursuant to the fee imposed under Section 75-76-177(1)(c) shall be deposited by the Department of Revenue into the bond sinking fund created in Section 1(3) of Chapter 479, Laws of 2015.

### § 75-76-159. Resolution of claim by patron for payment of gaming debt not evidenced by credit instrument; investigation and decision of executive director.

**Cross References** — Failure to notify Mississippi Gaming Commission executive director or patron as provided in this section grounds for disciplinary action pursuant to § 97-33-315, see § 97-33-313.

## FEES

### § 75-76-195. License fee based on gross revenues of licensee imposed by municipalities and counties; penalty for failure to pay fee.

## JUDICIAL DECISIONS

#### 1. County fee.

County did not show 2004 Miss. Private and Local Laws ch. 920, requiring the county to distribute portions of a gaming fee to a town and a school district, was unconstitutional because (1) Miss. Const.

art. 4, § 87 did not apply as it related to the suspension of general laws, since the law applied to specific governmental entities for specific purposes, and, (2) if Miss. Const. art. 4, § 87 applied, the law did not suspend the operation of the general stat-

utes of Miss. Code Ann. §§ 19-3-40(3)(f) or 75-76-195, as a law authorized the distributions and 2004 Miss. Private and Local Laws ch. 920 and Miss. Code Ann. § 75-

76-195 were separate statutes authorizing the imposition of a fee. Tunica County v. Town of Tunica, 227 So. 3d 1007, 2017 Miss. LEXIS 179 (Miss. 2017).
